The ultimate destination for today's contemporary and fine art world returns to Miami's artistic and creative hub offering a new and improved world-class exhibition experience

Spectrum Miami and Red Dot Miami announce curatorial themes for 2018

Miami, FL – August 10th, 2018: Redwood Media Group, the nation's leader in exhibitions and event production, media, and marketing for the global fine art community, is excited to announce a unique and newly formed partnership with Mana Wynwood, together with a permanent new home for its flagship art shows—two of the longest running independent art shows during Miami Art Week.

Spectrum Miami and **Red Dot Miami** will return to Wynwood Arts District starting in 2018, with a new and long-term location at **Mana Wynwood** – offering an exceptional and elevated world-class experience for both exhibitors and art enthusiasts during this year's Miami Art Week, taking place December 5—9. The only venue featuring "Two Shows in One Location" during Miami Art Week will cover more than 100,000 square feet of exhibition space and be even more accessible for visitors on foot and by car, all within walking distance from Wynwood's trendiest restaurants, bars and retail boutiques. New and improved features for this year's five-day fine art experience will include:

- Low traffic location for easy accessibility
- Hundreds of paved parking spaces on-site
- Indoor air conditioning and restrooms
- Dedicated café and lounge space with seating
- Easy access to the adjoining PINTA art fair

"We are excited to announce a unique alliance with Mana Wynwood, one of the region's most progressive organizations in property development and the creative arts," says Eric Smith, president of Redwood Media Group. "Returning to the Wynwood Arts District for the first time since 2015 perfectly positions Spectrum Miami and Red Dot Miami within one of the country's leading lifestyle and cultural destinations for both residents and visitors to Miami. Our new indoor location and pristine exhibition space will offer a truly premium experience for exhibitors and art enthusiasts alike. This is a strategic and long-term partnership and location for our flagship shows and we look forward to welcoming the art world to our new home."

Spectrum Miami and Red Dot Miami form the acclaimed contemporary and fine art experience that collectively presents some of today's most coveted national and international galleries and artists from the U.S and around the world. Redwood Media Group exclusively produces the two art shows housed in one location—considered to be the only multi-show production of its kind during Miami Art Week.

Red Dot Miami, a curated gallery-only contemporary art show, now in its 13th year, will be located inside Mana Wynwood. Red Dot Miami presents **[ILLUMINATE]** as the curatorial theme for 2018. From works that inspire awe and wonder to sweeping series that reveal new trends to artists who throw light on the roots of imagination through fearless creativity, Red Dot Miami illuminates the best the contemporary art world has to offer. This theme forms a common thread throughout the special exhibits and programming that showcases exhibitors, art industry professionals, and select nonprofits and institutions. Red Dot Miami features more than 75 galleries representing over 500 leading contemporary artists from primary and secondary markets throughout the world. The five-day show attracts more than 35,000 visitors and high-net-worth collectors who interact with the specially curated programming, which includes the **Spotlight Program**, a focused look at several cutting-edge galleries chosen by the Redwood Media Group selection committee; **Art Labs**, a series of outstanding projects by leading galleries, art institutions, and art collectives within the show; and **Art Talks**, an inside look at the artistic experience by way of panel discussions, conversations, and provocative artistic discourse with leading artists, curators, designers, and art industry professionals. The complete Red Dot Miami program will be announced in November.

Spectrum Miami, an upscale and urban curated contemporary art show, now in its 8th year, will be located adjacent to Red Dot Miami at Mana Wynwood. Spectrum Miami presents special programs and site-specific exhibitions that showcase the thriving art landscape of the city, informed by the 2018 curatorial theme **[ALLURE]**. Atmospheric abstracts. Provocative photographs. Seductive sculptures. The allure of contemporary and modern art is mysteriously and undeniably powerful. Spectrum Miami is where contemporary meets extraordinary, featuring the works of more than 160 exhibiting artists and galleries from the Florida region, the U.S. and around the globe. Known for its urban and upscale works of art, Spectrum Miami includes **Art Labs** and **Art Talks** as well as the **Spotlight Program**, providing collectors with a focused look at several prominent exhibitors, each creating a site-specific exhibition, and the **LaunchPad Artist Program**, showcasing an emerging and unrepresented artist who is selected to create an exhibition at the show, selected from a collaboration among local art institutions, galleries, and Spectrum Miami. Spectrum Miami will also include **[FOTO SOLO]**, a stand-alone exhibit, introduced at Artexpo New York in 2016, that features up to 10 artists from various continents who have been chosen for their exemplary photographic fine art. The complete Spectrum Miami program will be announced in November.

Spectrum Miami and Red Dot Miami have grown to become the ultimate destination for the fine art industry professional and contemporary art enthusiast who collectively seek a more accessible experience with exhibits showcasing the world's most progressive portfolios by some of today's elite artists, galleries, and emerging talents. With more than 35,000 attendees flocking to see the artwork of the 1,000+ artists showcased by over 200 exhibitors, these are two non-stop, not-to-be missed destination Miami Art Week shows.
